## CAROLYN A. CLARK ELEMENTARY SCHOOL EVERGREEN ELEMENTARY SCHOOL DISTRICT

**Project:** Carolyn A. Clark Elementary School  
**Owner:** Evergreen Elementary School District  
**Estimated construction cost:** \$15,700,000  
**Project area:** 110,000 sq ft  
**Location:** Fort Lee, California

**More than 40 additional photographs are available. Contact us for details or to schedule a site visit.**

The program calls for a 400-student elementary school on a sloping and small site, within a newly developed residential community.

Two classroom wings radiate from a central, multi-purpose open and semi-enclosed outdoor space.

The exterior of the school has a Mediterranean theme to fit in with the surrounding residences, and features cascading steel roof planes and wall panels over the central space.

The design manager for the entire program is a challenging site and demands a being both a great neighbor and a great asset for the community.
